

Online Proctoring.

All day and all of the night.

LEADERSHIP

The Examity[®] leadership team has more than 70 years of combined experience managing education technology organizations.

ACCOUNT MANAGEMENT

Examity[®] understands each client is unique. Your own account manager will provide personalized expertise that reflects the specific demands of your organization.

24/7 SUPPORT:

Get the help when and where you need it. Our 24/7 customer service gives you immediate access to our advanced technical support staff.

Examity[®] offers a cost-effective exam integrity solution. Our sophisticated technology and support is ideal for universities and corporations.

Around the clock service and flexibility sets us apart from the competition.

Our test-takers sit for exams in more than 50 countries and 5 continents.

At Examity[®], our top priority is to assist clients to maintain test integrity and protect their reputations.

examiLINK® Integration

All Custom and Commercial Test Delivery Platforms

Exami® Proprietary Solutions

- examiLINK® — tailored integration
- examiLOCK® — lockdown browser
- examiSHOW® — live ID check
- examiKNOW® — challenge questions
- examiKEY® — biometric keystroke matching
- examiGO® — mobile application
- examiBADGE® — rewards honesty
- examiDATA® — realtime analytics

examiLINK®

Our experienced team will integrate with any LMS or test delivery system in 30 days or less. Integration enables single sign-on for all users. In addition, examiLINK® facilitates daily imports and updates needed to proctor exams. Clients do not need to worry about the potential issues related to a manual process.

FairExam® Levels

When it comes to test integrity, our clients have their own ideas. Rather than offer just one style of proctoring, Exami® FairExam® Levels allow clients to select the right level of proctoring and/or authentication.

5 FairExam® Levels To Choose From

- Authentication
 - Level AA - Auto-Authentication
 - Level LA - Live Authentication
- Proctoring
 - Level 1 - Auto-Proctoring
 - Level 2 - Record/Review Proctoring
 - Level 3 - Live Proctoring
